Gold / Ready For The Course

The Gold Program is aimed at getting children aged 8 to 18 years golf course ready in a smaller group setting. It is ideally for the regular junior golfer who has achieved a certain level of skill set and is looking to take their game to the next level.

Each clinic will run for 4 hours.

The first 2 hours will be at the Academy working on:
Pitching, Putting, Full Swing and Driving.
During each skill set there will be Team Games.
